General Business

Ken Stephens, EBD Insurance and current medical insurance provider for McDonald County, met with the Commission to discuss the upcoming medical insurance enrollment. EBD offered the county a 15 month set rate at only 7.5% above last enrollment. Commissioner Holloway made a motion to increase the amount the county pays per employee on insurance to \$295 per month. This will offset most of the rate increase for the employees. Commissioner Lindquist seconded the motion. Motion passed with unanimous vote.
