Notice is hereby given that the McDonald County Commission in Pineville, Missouri, is accepting bids for:

County Website: Design, hosting, and maintenance.

This new website will have the same content currently contained on our existing site:

<http://mcdonaldcountygov.com>

Including all text, photos, graphics, and links. The company awarded this bid will be furnished with a backup of the site, but the website code cannot be copied onto the new site, only the content. It will be necessary to build new webpages within a CMS and copy/link the content of those pages from the backups to the new pages.

Six of the web pages will require the ability for the McDonald County staff to upload/FTP files (usually PDFs) and have those files immediately available on the site for end users to view/download (without editing/coding pages).

See the following pages on our current site for examples:

- General Finances
- Human Resources
- Bids/Qualifications
- Notices
- Ordinances
- Elections

Submit initial site design costs, ongoing fees for hosting (billed yearly), and estimated maintenance fees (and/or hourly rate) for occasional changes submitted by county employees for their department pages. Include all other anticipated initial costs or required ongoing fees/licenses/subscriptions. (Excluding domain name registration costs.)

The McDonald County Commission will be receiving bids until 1pm on December 4, 2020
